# Onyx Mentoring Program

*Join Today – In time for the 'Leaders In Training Institute' or 'the next R.A.P. Retreat'*

The Onyx Mentoring Program is designed to assist males (**elementary, middle, and, high school**) in learning to be self sufficient and explore opportunities to enhance academic and positive social skills. The Onyx program provides group/team, and e-mentoring activities to assist young males in developing their personal, social, academic, and future professional skills.

ONYX mentees participate in Saturday general meetings involving 2-hour workshops designed to address and develop important life issues, such as self-identity, communication skills, social etiquette, cultural awareness, character development, life & career coaching, male/female relationships, male empowerment, personal responsibility, life skills efficiency, and peer pressure. Mentees meet and network with business leaders; also included on Weekends and School Breaks is the "Real Talk - Real Issues Group and Book/Movie Discussions. Onyx is preparing leaders and empowering men – from good to GREAT! Meeting times: 10:00am-Noon/2x a month on Saturday.
